

Supplier RFP Proposal

BrightPath Tech

Lowest price and fastest timeline, limited compliance evidence and experience

Synthetic classroom document. All supplier details and references are fictional.

Executive Summary and Requirement Understanding

Lowest price and fastest timeline, limited compliance evidence and experience. We understand that the buyer requires a secure, scalable solution with integrations, measurable delivery, transparent cost, risk controls and dependable support.

Proposed Solution

Standard web platform with APIs and configurable workflows. Scalability is claimed, but no load-test target or detailed integration mapping is supplied.

Implementation Plan

Twelve-week plan covering discovery, configuration, testing and launch. The small delivery team and aggressive milestones create schedule risk.

Commercial Value

Fixed price INR 82 lakh including first-year support. Assumptions and payment milestones are itemised.

Cost item	Detail
Implementation	Fixed price INR 82 lakh including first-year support
Taxes	Excluded and charged as applicable
Proposal validity	90 days

Security and Compliance

HTTPS, role-based access and backups are mentioned. Certifications, privacy assessment and audit-retention evidence are not supplied.

Support and Experience

Business-hours support with optional weekend coverage. One comparable fictional project and no references.

Risks and Assumptions

Delivery depends on timely stakeholder access, environments and interface documentation. Scope changes follow formal change control. No real supplier or customer data is used.
