

Supplier RFP Proposal

NexaWorks

Balanced proposal with strongest implementation and support model

Synthetic classroom document. All supplier details and references are fictional.

Executive Summary and Requirement Understanding

Balanced proposal with strongest implementation and support model. We understand that the buyer requires a secure, scalable solution with integrations, measurable delivery, transparent cost, risk controls and dependable support.

Proposed Solution

Composable architecture, integration adapters, autoscaling, observability and documented non-functional requirements.

Implementation Plan

Sixteen-week plan with milestone gates, RACI, staffing ramp, acceptance criteria, migration rehearsal, rollback plan and a detailed risk register.

Commercial Value

Fixed implementation price INR 1.12 crore and annual support INR 18 lakh, with assumptions and payment milestones.

Cost item	Detail
Implementation	Fixed implementation price INR 1
Taxes	Excluded and charged as applicable
Proposal validity	90 days

Security and Compliance

ISO-aligned controls, encryption, SSO, least privilege, audit logging, vulnerability management and a privacy impact review.

Support and Experience

24x7 support, severity matrix, named service manager, quarterly reviews, six comparable fictional projects and three fictional references.

Risks and Assumptions

Delivery depends on timely stakeholder access, environments and interface documentation. Scope changes follow formal change control. No real supplier or customer data is used.
